

BYZANTINE MOSAIC COLLECTION

MATERIAL
BESPOKE STONE + TILE

Explore Byzantine

MATERIAL's Byzantine Mosaic Collection brings one of the oldest artistic forms of the mosaic into any space. With a traditionally irregular surface, each mesh-backed sheet showcases tesserae of our natural stone, all cut and arranged by hand to highlight the beauty of the world's oldest material.

The collection modernizes 7th Century Byzantine mosaics, combining dynamic proportions and a variety of colors to create near endless possibilities.
