BESPOKE STONE + TILE

Explore Zellige

Following the centuries old tradition of Moroccan handmade tile, MATERIAL's Zellige Collection offers an assortment of rustic but refined tile and mosaic options in two subtle shades. Each piece is made by hand—with slight variations in surface and glazing throughout—so every project, every room, every tile is unique. And unlike most Moroccan Zellige tiles, our pieces are trimmed to create a uniform thickness, easing installation.

Ideal for interior vertical applications in both residential and commercial projects, including shower walls, the Zellige Collection is also approved for some exterior use and is available in additional colors by special order.
